About Us

Not Another Staffing Agency!

At Tandem Trans Solutions, we offer more than just a hiring service for Truck Drivers, we work in tandem with your business needs to improve your company's bottom line. Our team aims to ease the complexities and uncertainties involved in the logistics world by assisting you with qualified and skilled Truck Drivers.

Skilled & Verified Drivers

We take care of payroll including WSIB, CPP and Employment Insurance.

We Provide

- G/ GZ Drivers
- AZ/ DZ Drivers
- Shunters
- Cross-border & Local Drivers
- Truck Mechanics
- Dispatchers
- Movers & Packers

Our Promise

We will be an extension of your team assisting you with the most qualified drivers for every job. We will be responsive and pragmatic when dealing with your needs to always give you a transparent picture of our workings. You will be sure to feel our commitment and dedication as we grow together.

Our Process

Sourcing Candidates: Screen & Interview: Background Check: Training & Certification:

By utilizing our extensive database, we help you fulfil all your driver requirements.

Our team screens and interviews candidates on your behalf to find you the most qualified fit.

We validate the candidates by conducting in-depth reference and background checks.

We offer in-house training thus completing the whole onboarding process.

We ensure all our drivers are committed to safe and responsible driving.
